DR. F. W. NUNN

Dr Nunn is a dentist, brave and fold, He pulls teeth without pain, we are told; You wonder how he does -now stop knocking, he does it a th' sirel consistent in the obtained by gas or by local nerve blocking. He fills many teeth and will put in a sarying the proporties. A sterial crown and builds bridges by irrossing over or going around. He clean with remarks' a a cove proporties to your teeth and y u can bet If he thinks you need it, will make you a set All the work that he does is guaranteed to meet all requirements and every | jointa need, But aeriously apeaking and not in f n, if you need dental wirk ver DR F W NUNN

MARION COAL COMPANY

for the very best coal maney can buy, give Mation Load to an order and they will try, to haul you a load down on the jump and furnish it either in egg, nut or lump. They only handle the very best coal, there is no better I believe to my soul, for it hurns lietter and makes more heat than any turn toward the tutling of tridged other and is hard to heat in keeping your fire all night long, I'm try and taderal aid ron and highways in to tell you, you wont go wrong if you g to yer phone and call 22 and 35 states 6 ring ite 4 years and 4 have a load cent down to you

T. H. COCHRAN & COMPANY

T H Cochran and company, the hardware kings, sell puts and puns and tal cost to gin ed by the depart of the harpens rings. They will sell you stoves, both coal and wood. Anything \$20,285 (see in it will thus be coon you buy there is bound to be good. They will sell you a wagon, with or that approximate v 42 per cent of the without wheels, and carry a line of the best automobiles. They are called the Quality Store and we really don't think we need say more except to con lusion we do declare you can't beat them when buying hardware

BABB & FRAZER, RESTAURANT

Go to Babb and Frazer for good things to eat, the service there can't be beat They serve short orders and regular dinner when you get a meal there it sure is a winner. They handle fruits, to bocco, anything in reason, Also Joint Cammiae on of Agricultural systems and game when they are in season. Everything served to very aice And best f all is nevrate in pries. So bear in mind when you conto town lou can get the best mean here f : m ee around. A mea,) will say of the very kind. You've often waited but could not find

W. O. TUCKER FURNITURE CO.

W. O Tucker come last on out list and therea a good reason for the, lig rail mate as the transity That reason to you we will state, we third it very appropriate, For he's our undertaker, embalmer two, and about the last one that has ilealings with you list he will treat you right while you live, for he also deals in furniture neat and can furnish for you yout home complete. He will treat you right as we before have said not only while living, but when you are dead

F. O. BUTLER GARA

F. O. Hutler is very large, but that's not the reason .. a a garage, The reason he does-so we are told, to because he give service whether supervisi it of tilgina) with evi- of it's hot or it's cold. And the people like it and come from afar, To have him make repairs on their car And when the car repaired, the work is act buln, and he only charges a moderate aum. Illa gas and oil stand every lest, And his accessories are the very best So if you want your car made safe as a hank, Take it in and have it looked over by Hig FRANK.

DISQUISING CRACK FILLERS

Away With by Use of Material Colored Lika Concrete.

Peapared By the 1 miest States Deportment of Agrica tura !

Unsightly black lines, somatimes legged and irregular, which mar the oppearance of practically all concrets roade and which are due to the natural solor of materials used to fill joints and cracks, will be avoided by the the of a material for the purpose darslepad in the laboratories of the hureau of public roads, United States Depart. ment of Agriculture, if toste by actual une prove se auccessful an expected. This meterial has the same color as concrate, and when used to fill cracks and joints the surface has the appear eace af a continuous and unbroken elab to the casual observer

No particular advantage over other good meterials is laimed for the preeration other t an its coor and it le probable that the will be some what higher but not prohibitive

For paveral weeks a section of read with expansion - nts filled with this material has been un for learvailde, and the rea to are en ruly astinfactory but a tonger test will be ne .. eary had re it can be recommended for ganeral use

The mixture collects of approximately 12 parts roots t part enute ribber, with aufficient harium outphate to the second
